

Waste to Energy

DRY DISTILLATION GASIFICATION
POWER GENERATION PLANT

KNSEI SANGYO CO.,LTD

Sales department
Chief Keito Iijima

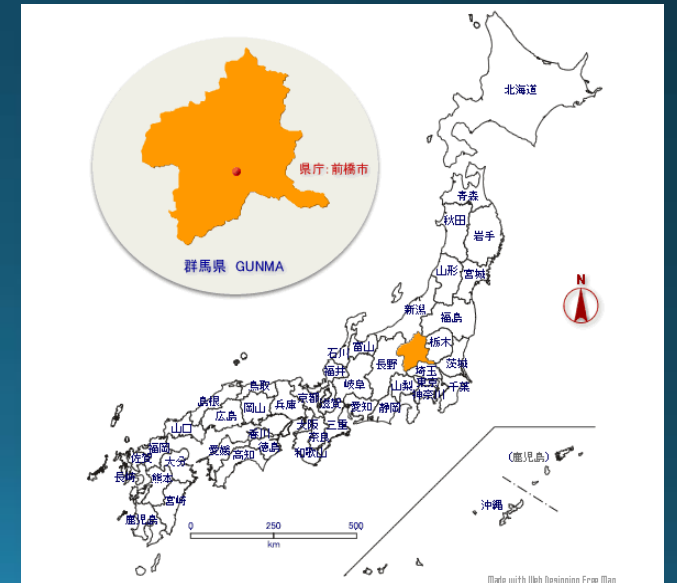

PLANT MANUFACTURER KINSEI SANGYO CO.,LTD

Foundation: *March 1967*

Patent

DRY DISTLLATION GASIFICATION SYSTEM

Main office

Fuel is **waste** and **biomass**

- Energy recovery continuously
- Eco - friendly
- Saving energy, operation and maintenance cost
- Needless pretreatment
- Easy batch feeding

DRY DISTILLATION GASIFICATION POWER GENERATION PLANT

POWER GENERATION SCALE **0.1kw ~10Mw**

Generating electricity and **disposing waste** at the same time

SDGs by KINSEI GASIFICATION POWER GENERATION PLANT

AFFORDABLE AND CLEAN ENERGY

SUSTAINABLE CITIES AND COMMUNITIES
