About UNIDO

UNIDO (United Nations Industrial Development Organization) was established in 1966 as an autonomous body within the United Nations, and was converted into a specialized agency in 1985. UNIDO promotes industrial development for poverty reduction, inclusive globalization and environmental sustainability.

UNIDO is headquartered in Vienna, Austria, has Regional/Country offices in 48 countries, 3 Liaison offices in Brussels, Geneva and New York, Investment & Technology Promotion offices in 8 countries, and other types of offices worldwide, through which various services are provided.

About UNIDO ITPO Tokyo

UNIDO Investment and Technology Promotion Office (ITPO) in Tokyo was established in March 1981 based on the agreement between UNIDO and the Government of Japan. The mission of UNIDO ITPO Tokyo is to help developing countries in

their efforts to achieve inclusive and sustainable industrial development by promoting foreign direct investment and technology transfer from Japan through various activities.
