

## MONTHLY PROGRESS REPORT

# The Project for Promoting Youth Employment Through Automotive Maintenance Skills Training

### Output 1. DEVELOPING COMPETENCY-BASED AND DEMAND DRIVEN CURRICULUM

The “[Automotive and Entrepreneurship Training Needs Assessment \(TNA\)](#)” report has been completed.

The DACUM Chart for the curriculum development has been completed. The development of standards & qualifications is currently ongoing.

### Output 2. ESTABLISHING A CENTER OF EXCELLENCE FOR AUTOMOTIVE TECHNICIAN TRAINING

The necessary preparations have been finalized for the upcoming study tour in Tokyo, Japan. The Sierra Leonean delegation, consisting of four staff members from Government Technical Institute (GTI) Kissy and the director of the Ministry of Technical and Higher Education, will be participating in a Kaizen & 5S training program and will also be introduced to the Japanese automotive aftermarket and related industries, including participation in the 37<sup>th</sup> Auto Service Show.

Four automotive experts from GTI Kissy are scheduled to attend a three-week Training of Trainers course on Auto Electrical Trainings at the Kigima Training Center in South Africa starting 10<sup>th</sup> of July. All logistical arrangements have been set and the project team is currently processing all agreements.

### Output x. CROSS CUTTING ACTIVITIES

Discussions have been initiated to provide support for the website of GTIs with the goal of enhancing their online presence and improving communication with the youth.
